En la búsqueda avanzada podemos buscar en varios campos a la vez y combinarlos con los operadores booleanos .Y .O .NO, e incluso limitar por texto completo...

The screenshot shows the EBSCOhost Advanced Search interface. The search term "god" is entered in the first search field. A dropdown menu is open, showing a list of search fields including TX All Text, AB Abstract, AU Author, CA Corporate Author, TI Title, BT Book Title, CC Classification Code, CO Conference Name, DO Document Object Identifier, IS ISSN, IB ISBN, LA Language, PB Publisher, PP Place of Publication, PT Publication Type, SC Scripture Citation, SO Source, ST Series, and SU Subjects. The search options section includes "Search modes" with radio buttons for "Boolean/Phrase", "Find all my search terms", "Find any of my search terms", and "SmartText Searching Hint". The "Limit your results" section includes checkboxes for "Full Text", "Scholarly (Peer Reviewed) Journals", "Abstract Available", and "Year Published from" with input fields for "from" and "to". The interface also shows the EBSCO logo, navigation tabs (New Search, Publications, Scriptures, Indexes), and the Universidad Pontificia de Salamanca logo.

Puedo guardar mis búsquedas, registros, y crear alertas siguiendo las instrucciones de la opción “Sign in”. Marcar registros e incluirlos en carpetas para luego poder realizar operaciones con ellos. Y refinar la búsqueda realizada.

The screenshot displays the ATLA Religion Database search interface. At the top, there are navigation tabs: "New Search", "Publications", "Scriptures", and "Indexes". On the right, there are links for "Sign in", "Folder", "Preferences", "New Features!", "Help", and "Exit". The search bar contains the query "god" in the "AU Author" field. Below the search bar, there are two "AND" operators with empty input fields and dropdown menus for selecting fields. The search results are displayed on "Page: 1" with "Relevance Sort" and "Page Options" menus. The results list three items, each with a title, author, source, and subjects. The first result is "Tales from Spandau: Nazi criminals and the cold war" by Norman J W. Gods, published in 2006. The second result is "Brussels statement on evangelization and social concern." from the Assemblies of God, published in 1999. The third result is another instance of "Tales from Spandau: Nazi criminals and the cold war" by Robert G. Moeller, published in 2008. Each result has an "Add to folder" button and a relevancy bar. On the left, there is a "Refine your results" sidebar with checkboxes for "Full Text", "Abstract Available", and "Scholarly (Peer Reviewed) Journals". There is also a "Publication Date" range from 1999 to 2008 and a "Source Types" section with checkboxes for "All Results", "Journal Articles", "Books", and "Reviews".
